

## ***European Project Semester Logo Contest***

The universities of the European Project Semester Network in their Annual Providers Meeting held in Nottingham, United Kingdom, on 10/11th October 2019 have decided unanimously to declare vacant the winner of the EPS Logo Contest. It was agreed between the partners that none of the proposals submitted was good enough for the network to decide to change their current logo.

Nevertheless, the EPS Network wants to express their gratitude to all participants and will contact them in the next few days.

Nottingham, 11<sup>th</sup> October 2019
